Locations shown in blue/bold indicate that puppy start right sessions are also available in these locations.

If your postcode is not listed, but you are a similar distance away from another postcode listed, please contact me to ask for a callout charge – sometimes I can accommodate consultations a little further away.

If you are too far away for me to do a home visit, and you wish to come to a clinic session, please note that a charge of £10 per hour will be charged to cover the cost of hiring the hall and travelling to it.
